WOOD-DEAR SIR :- I have heard much said of the wonderful effects of your HAIR RESTO-RATIVE, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, until I met you in awrence county some mouths since, when you gave me such assurance as induced the trial of our Restorative in my family-first by my good wife, whose hair had become very thin and ntirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had hickened and become beautiful and glossy ipon, and entirely over the head; she continu o use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidently recom mend its use by all who would have their hair estored from white or gray (by reason of sickness or age.) to original color and beauty, and by all young persons who would have their hair eautiful and glossy. Very truly and grateful-SOLOMON MANN. FRIEND WOOD :- It was a long time after I

saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it e concluded to try it on Mrs. Mann's hair, as he surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its efects, are now using and recommending its use to others as entitled to the highest consideration you claim for it. Again, very respectfully and truly, yours, SOLOMON MANN. and truly, yours, SOLOMON MANN.
